

**NOTICE OF PUBLIC HEARING OF THE BOARD OF SUPERVISORS OF THE
SAN CARLOS ESTATES WATER CONTROL DISTRICT TO CONSIDER
ADOPTION OF WATER CONTROL PLAN AMENDMENT**

To the owners and all persons interested in the lands corporate, and other property in and adjacent to the San Carlos Estates Water Control District.

You are notified that the Board of Supervisors of the San Carlos Estates Water Control District ("District") has filed in the office of the secretary of the District a resolution to consider approval of an amendment to the current water control plan to provide for the maintenance, replacement, and upgrading of the District's works (improvements) in the District and to provide for the District's acquisition, through eminent domain, or otherwise, of lands in the District that must be acquired by the District to achieve the elements of the District's water control plan or plan amendment. A meeting of the Board of Supervisors shall be held on September 21, 2026, at 6:00 p.m., or as soon thereafter as the matter may be heard, at the Gulf Shore Church located at 25300 Bernwood Drive, Bonita Springs, Florida 34135. Written objections to the proposed plan amendment may be filed at the District's office any time on or before the Board of Supervisors' scheduled meeting on September 21, 2026, at 6:00 p.m. referenced above. A public hearing on the proposed plan amendment will be conducted at the scheduled meeting, and written objections and oral objections presented at the scheduled meeting will be considered at that time. At the conclusion of the public hearing, the Board of Supervisors may determine to proceed with the process for approval of the proposed water control plan amendment and direct the District engineer to prepare an engineer's report identifying any property to be taken, determining benefits and damages, and estimating the cost of implementing the improvements associated with the proposed plan or plan amendment. A final hearing on approval of the proposed plan or plan amendment and engineer's report shall be duly noticed and held at a regularly scheduled Board of Supervisors meeting at least 25 days but no later than 60 days after the last scheduled publication of the notice of filing of the engineer's report with the secretary of the district.

This is a public hearing of the Board of Supervisors of the District and landowners and other interested individuals have the right to appear at the hearing and they may also file written objections or comments with the Board of Supervisors of the District at or before the public hearing with respect to any matter considered at the hearing. If anyone decides to appeal any decision made by the District Board of Supervisors with respect to any matter considered at the hearing, they will

need to ensure that a verbatim record is made, which record includes the testimony and evidence upon which the appeal is to be made.

If an individual requires special aid or services as addressed in the Americans with Disabilities Act (ADA), please contact the District's office at (239) 495-4699.

All interested parties are invited to attend and be heard.
